Immerse yourself in the ultimate Close Combat release: Close Combat: Cross of Iron for the PC. Take command of German or Soviet Battle Groups during WWII as you face the strength of the enemy war machine in a Grand Campaign giving you both the original and all new battles and operations that will test your tactical mettle.

In Close Combat: Cross of Iron you start off as a junior officer leading your men into battle in real time. Earn promotions as you deal with an unforgiving enemy. Fight and survive though the frozen winter, hot dusty summer and muddy autumn.

This is not just a re-release in a pretty wrapper! New features expand the ways you play Close Combat in entirely new directions.

This release includes a multiplayer Campaign system for your battles. The Service consists of a Campaign Server to which you connect to play a Strategic Campaign. There is a Single Player Server provided with Cross of Iron which you can play on your own PC. However, there are also online Massive Multiplayer Campaigns available which run 24x7 to which you can connect anytime (requires an Internet Connection).

Now you can fight an entire Campaign online, anytime, any side, as often as you want. The Campaign is fought on the Server which keeps a record of the results of the battles that are played, either single player, or H2H.
