Free game download for Windows: Crystalscope – Exercise your pool and shooting skills playing the nine games from this pack

This game pack combines arcade elements with a bit of strategy. There are nine rather different games packed into it, and three

skill levels for each one. A fancy playing field shape gives you a great chance to exercise your pool skills. The demo mode itself is much fun to watch and relax after a busy day. Best scores competition. Both installer and uninstaller are included. Upgrades and support (if you ever need it) are free for registered users.
